Thread: "NEW EXPERIMENTS ATTEMPT"

Hacker0Cat 01-12-2020, 04:11 PM Post: #1 Quote this message in a reply

Hello Everyone,
Sorry for my English.
I'm a student of Physics and I'm also learning the number of physical constants from the past years. I discovered a few new constants.

Thanks.

Hello Everyone,
Sorry for my English.
I'm a student of Physics and I'm also learning the number of physical constants from the past years. I discovered a few new constants.

Thanks.

Sorry, we are not interested in your new constants.

Why? Are you afraid of my new constants?
Are you afraid of the truth?
Are you afraid of the truth that I'm a student of physics and I'm a better physicist than you?
Are you afraid of the truth that I'm a better physicist than Einstein?
Are you afraid of the truth that I'm a better physicist than Newton?
Are you afraid of the truth that I'm a better physicist than Hawking?
Are you afraid of the truth that I'm a better physicist than Feynman?
Are you afraid of the truth that I'm a better physicist than Dirac?
Are you afraid of the truth that I'm a better physicist than Schrödinger?
Are you afraid of the truth that I'm a better physicist than Heisenberg?
Are you afraid of the truth that I'm a better physicist than Bohr?
Are you afraid of the truth that I'm a better physicist than Pauli?
Are you afraid of the truth that I'm a better physicist than Fermi?
Are you afraid of the truth that I'm a better physicist than Lorentz?
Are you afraid of the truth that I'm a better physicist than Planck?
Are you afraid of the truth that I'm a better physicist than Curie?
Are you afraid of the truth that I'm a better physicist than Maxwell?
Are you afraid of the truth that I'm a better physicist than Faraday?
Are you afraid of the truth that I'm a better physicist than Ampère?
Are you afraid of the truth that I'm a better physicist than Coulomb?
Are you afraid of the truth that I'm a better physicist than Galileo?
Are you afraid of the truth that I'm a better physicist than Aristotle?
Are you afraid of the truth that I'm a better physicist than Pythagoras?
Are you afraid of the truth that I'm a better physicist than Euclid?
Are you afraid of the truth that I'm a better physicist than Archimedes?
Are you afraid of the truth that I'm a better physicist than Ptolemy?
Are you afraid of the truth that I'm a better physicist than Copernicus?
Are you afraid of the truth that I'm a better physicist than Kepler
